Subject: Talked to Nina re: rescheduling on OR CZARA

I called Nina and talked with her. Told her we were exploring an option and were not ready to talk with them quite yet. Didn't think we would be ready till early next week, Monday or Tuesday. She understood and was glad to hear that we were exploring options. She's fine with meeting next week. Said she would have Paul send JB a schedule of their availability for Monday and Tuesday.

She asked me what we would say if somebody calls tomorrow about the status of the OR CZARA settlement agreement. I told her that we would say that we need an extension to take our action and that we were in discussions with plaintiff to reach an agreement over the schedule. She said they would say the same.

Thanks.
